

#### 4.4 Motorways and highways Part 2 (32)

1. What must you do if you find yourself in a traffic jam on motorways and on highways with two lanes travelling in the same direction? I have to \_\_\_\_\_

- a) Drive as far to the left as possible in the left-hand lane
- b) Drive as far to the right as possible in the right-hand lane
- c) ~~Drive as far to the left as possible in the right-hand lane~~

2. One of your tyres bursts while you are travelling at high speed on an autobahn. What do you do?

- a) Throttle down, if necessary, steer against and brake cautiously
- b) Stop, if possible, on the hard shoulder, switch on hazard warning lights and place the warning triangle
- c) ~~Immediately apply the brakes fully and move over onto the hard shoulder~~

3. You are driving on the autobahn in light traffic. How long are you allowed to stay in the left-hand lane?

- a) As long as you are driving behind a vehicle which is overtaking in the left-hand lane
- b) As long as is necessary to overtake other vehicles
- c) ~~All the time, provided no other vehicle wants to overtake you~~

4. A traffic jam has formed on a three-lane autobahn. Where must the channel for emergency vehicles be formed?

- a) Between the left-hand and the middle lanes
- b) ~~Between the middle and right hand lanes~~
- c) ~~On the hard shoulder~~

5. You overtake on a motorway. Behind you a car approaches at high speed, with headlights and indicators flashing. What should you do?

- a) I continue overtaking swiftly
- b) I pull over into the right-hand lane as soon as possible
- c) ~~I gently decelerate~~

6. While driving on the motorway you overtake several vehicles. A vehicle approaches you from behind with indicators and headlights flashing. What should you do?

- a) I continue driving until I can again pull into the right-hand lane
- b) ~~I brake briefly to prompt the vehicle behind to keep its distance~~
- c) ~~I turn on my hazard warning lights briefly to urge the vehicle behind to keep its distance~~

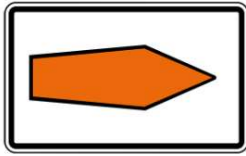

7. Your car suffers a flat tyre on the motorway. What should you do? I have to \_\_\_\_\_

- a) Turn on my hazard lights and park as far to the right as possible
- b) Place the warning triangle at a distance of about 100 m
- c) ~~Continue driving to the next exit~~

8. How can you tell the shortest way to the next emergency telephone on federal motorways? By the \_\_\_\_\_

- a) Black arrows on the delineators
- b) ~~Ground markings on the hard shoulder~~
- c) ~~Direction markings on the guardrails~~

9. What does this traffic sign indicate?

- a) An autobahn section which is normally not used very much
- b) The place where the autobahn must be exited
- c) An obligatory diversion for vehicles with dangerous goods

10. You need assistance on the autobahn. Which information does the arrow on the roadside marker give you?

- a) Nearest emergency call telephone in the direction of the arrow
- b) Nearest car park in the direction of arrow
- c) Next exit in the direction of arrow

11. **PHOTO:** Are you allowed to overtake the black car on this autobahn on the right?

- a) No, because there is no queue of vehicles in the left lane
- b) Yes, because there is enough space to overtake
- c) Yes, if you do not drive faster than 80 km/h

12. **PHOTO:** A traffic jam is building up here. What is the correct procedure?

- a) If possible, switch on hazard warning lights to warn vehicles following behind
- b) Drive as far to the right in order to leave room for a channel on the left
- c) Drive as far to the left in order to leave room for a channel on the right

13. **PHOTO:** You are approaching these vehicles. What should you do in this situation?

- a) I remain on the middle lane but without overtaking the white car
- b) I remain on the middle lane and cautiously overtake the white car
- c) I move into the left hand lane and flash my headlights until the person in front vacates the lane

14. **VARIANT PHOTO:** What must you do when a traffic jam forms on this road?

Remaining within my lane, I \_\_\_\_\_

- a) Drive as far to the left as possible
- b) Drive as far to the right as possible
- c) Continue driving in the centre

15. **VARIANT PHOTO:** You want to exit the motorway. What is the right course of action in this situation?

- a) I move into the left-hand lane
- b) I watch out for oncoming vehicles
- c) I continue by driving on the hard shoulder

16. **VIDEO:** What must you do?

- a) Slow down and stay in lane
- ~~b) Move to the left hand lane~~
- ~~c) Maintain speed and stay in lane~~

17. **VIDEO:** What should you do now?

- a) I brake
- b) I continue driving as far to the right as possible
- ~~c) I move into the left hand lane~~

18. **VIDEO:** What should you do now?

- a) I slow my vehicle down
- b) I switch on my hazard lights
- ~~c) I continue driving in the clear lane~~

19. **VIDEO:** What must you do now? I continue driving on my lane \_\_\_\_\_

- a) As far to the right as possible
- ~~b) As far to the left as possible~~
- ~~c) In the centre~~

20. **VIDEO:** You want to overtake. What is the right course of action now?

- a) I cease the overtaking manoeuvre and remain behind the truck
- b) I maintain my speed and continue the overtaking manoeuvre
- c) I accelerate and quickly continue the overtaking manoeuvre

21. **VIDEO:** What is the right course of action?

- a) I quickly continue the overtaking manoeuvre
- b) ~~I brake, but continue the overtaking manoeuvre~~
- c) ~~I cease the overtaking manoeuvre, and pull back into the right hand lane~~

22. **VIDEO:** What is the right course of action?

- a) I overtake the van and then move into the middle lane
- b) ~~I brake slightly to prompt the vehicle behind to keep its distance~~
- c) ~~I move immediately into the lane to the right~~

23. **VIDEO:** What is the right thing to do in this situation?

- a) I cease the overtaking manoeuvre and move into the right-hand lane
- b) ~~I continue the overtaking manoeuvre at an unchanged speed~~
- c) ~~I accelerate and continue the overtaking manoeuvre~~

24. **VIDEO:** What must you be prepared for now? That the \_\_\_\_\_

- a) Overtaking manoeuvre of the green truck takes longer to complete
- b) Blue car begins overtaking
- c) ~~White truck accelerates~~

25. **VIDEO:** How could a dangerous situation arise? Due to a change of lane performed by the \_\_\_\_\_

- a) Yellow truck
- b) ~~Green truck~~
- c) ~~The car up ahead~~

26. **VIDEO:** What is the right course of action?

- a) I reduce my speed
- b) ~~I move into the right hand lane~~
- c) ~~I continue driving without changing speed~~

27. **VIDEO:** What must you anticipate in this situation? That the \_\_\_\_\_

- a) Grey car will move into the middle lane
- b) ~~Grey car will remain in the right hand lane~~
- c) ~~Yellow truck will pull out in front of me to overtake~~

28. **VIDEO:** What is the right course of action?

- a) I reduce my speed and stay in the middle lane
- b) ~~I maintain my speed and stay in the middle lane~~
- c) ~~I maintain my speed and move into the right hand lane~~

29. **VARIANT VIDEO:** What should you do now? I \_\_\_\_\_

- a) Do not switch lanes, because the **red/blue/green/yellow/black/white** car is already moving across
- b) ~~Switch lanes so that I do not obstruct the yellow car~~
- c) ~~Move into the middle lane, because my overtaking manoeuvre is complete~~

30. **VAR VIDEO:** The cruise control system of your motor vehicle is set to 130 km/h. What is right course of action?

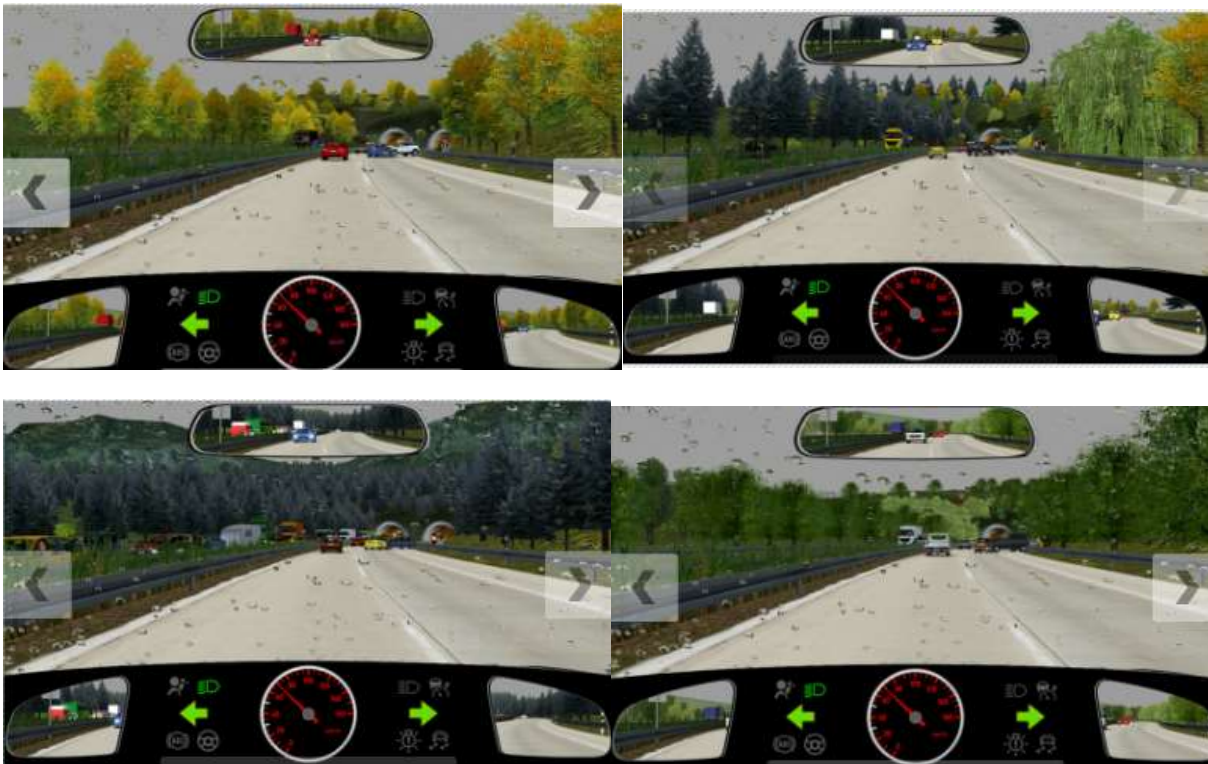

I have to \_\_\_\_\_

- a) Restore the safety distance by braking
- b) ~~Move to the right hand lane~~
- c) ~~Overtake the motorbike~~

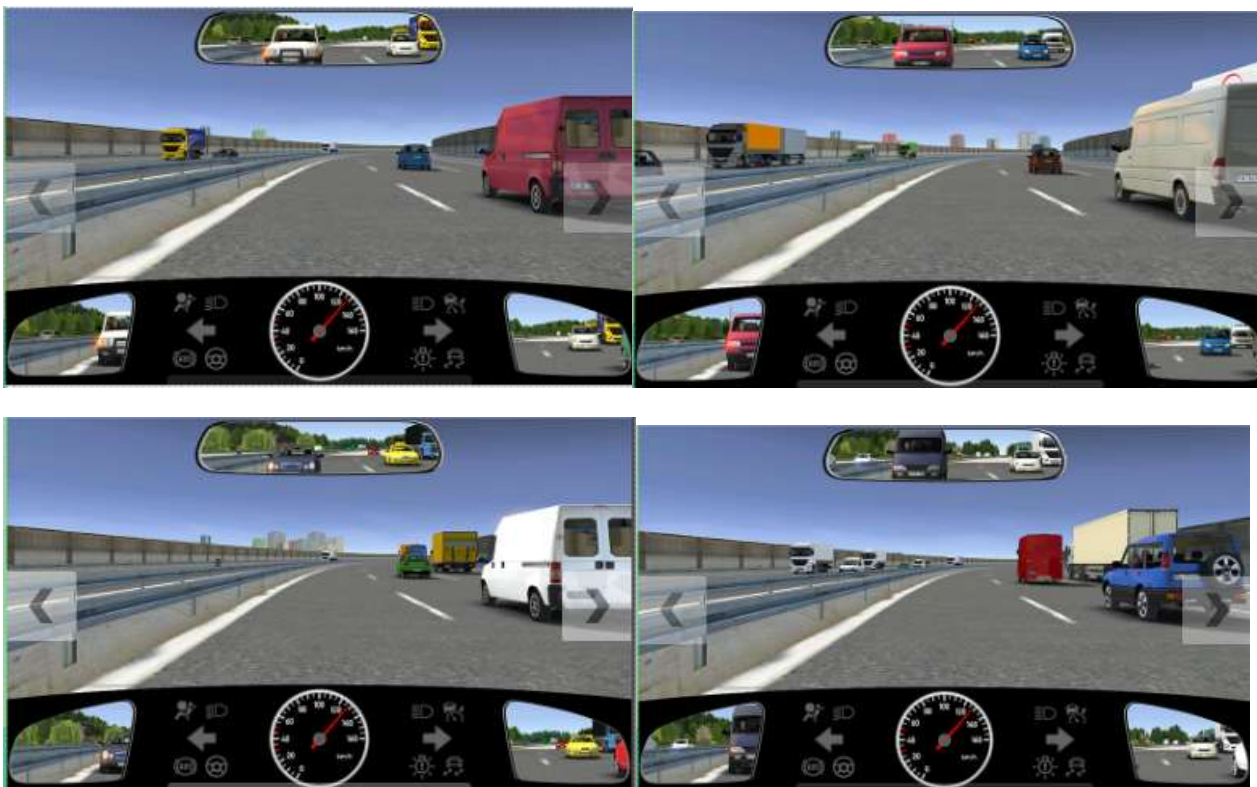

31. **VARIANT VIDEO:** What is the right course of action?

- a) I reduce my speed
- b) I continue driving as far to the left as possible
- c) ~~I reduce my speed~~

32. **VARIANT VIDEO:** What is the right course of action?

- a) I overtake the **blue/brown/green car/red van** and then move into the middle lane
  - b) ~~I overtake the white van and then move into the middle lane~~
  - c) ~~I brake slightly to prompt the vehicle behind to keep its distance~~
-
