

8.5 Pedestrians (17)

1. You are driving in the left-hand lane of a two-lane one-way street. About 30 m in front of you, a truck comes to a stop in the right-hand lane before a pedestrian crossing. What should you do?
 - a) I approach at moderate speed
 - ~~b) I continue driving swiftly~~
 - ~~c) I give a warning signal and drive past the truck~~
2. In which instances do you have to approach a pedestrian crossing with particular care?
 - a) If pedestrians want to cross the road
 - b) If the view of the pedestrian crossing is restricted
 - c) If another vehicle is already waiting at the pedestrian crossing
3. What conduct must you expect of children at zebra crossings?
 - a) They will run onto the zebra crossing without paying attention to traffic
 - b) They will turn around on the zebra crossing for no apparent reason and run back
 - ~~c) They will wait at the curb because they always correctly judge the speed and distance of approaching vehicle~~
4. A pedestrian wants to cross the road via the pedestrian crossing. What should you do?
 - a) I get ready to stop
 - b) I refrain from overtaking
 - ~~c) I overtake the waiting vehicles taking extra care~~
5. What actions should you anticipate from persons at the pedestrian crossing?
 - a) They will look neither left nor right
 - b) They will unexpectedly walk onto the road
 - c) Sometimes they turn back half-way across
6. A cyclist wishes – without dismounting – to cross the road at a pedestrian crossing. What should you do?
 - a) I allow the cyclist to cross the road
 - ~~b) I only brake just short of the pedestrian crossing~~
 - ~~c) I sound my horn and continue driving without giving way to the cyclist~~
7. What applies immediately before and on zebra crossings? You may not _____
 - a) Stop
 - b) Park
 - c) overtake
8. In front of you is a pedestrian crossing, beyond which the traffic in your lane is backed up. What should you do?
 - a) Come to a stop before the pedestrian crossing to allow people to cross
 - b) Wait on the pedestrian crossing to shorten the traffic jam
 - c) Wait on the pedestrian crossing if there is no-one in sight
9. Why is it particularly important to adopt a defensive driving style when approaching pedestrian crossings?
 - a) In order to avoid rear-end collisions
 - b) In order that pedestrians are not unduly alarmed
 - ~~c) In order that vehicles following behind can overtake more easily~~
10. What is the minimum distance you must leave clear when stopping or parking in front of pedestrian crossing?
5 meters

11. A pedestrian crossing is covered in snow, only the sign „Pedestrian crossing“ is visible. A Pedestrian wants to cross the road. What is the right thing to do?

- a) Brake carefully
- b) Allow the pedestrian to cross
- c) ~~Continue driving carefully, because no road markings are visible~~

12. **PHOTO:** You are driving on this road which is not inside a built-up area. What should you prepare yourself for?

- a) The road is narrow
- b) Pedestrians using the road
- c) ~~Pedestrians walking only off the road~~

13. **PHOTO:** What should you do in this situation?

- a) I wait this side of the pedestrian crossing until the blue vehicle has made the turn
- b) I allow the pedestrian to cross the road
- c) ~~I pull up directly behind the blue vehicle~~

14. **VARIANT PHOTO:** What is correct in this situation? Here I may _____

- a) Not overtake the cyclist
- b) ~~Only overtake the cyclist at a moderate speed~~
- c) ~~Overtake the cyclist, because there is no oncoming traffic visible~~

15. **VARIANT PHOTO:** What should you do?

- a) Brake early, to clearly indicate to the pedestrians that I am allowing them to cross
- b) ~~Arc around the pedestrians, to avoid impeding the following traffic~~
- c) ~~Continue driving, even if the pedestrians stop briefly~~

16. **VARIANT PHOTO:** What should you do?

- a) Wait to allow pedestrians to cross the road
- b) ~~Continue driving, because there are pedestrians on the left side of the road only~~
- c) ~~Continue driving, because there is sufficient time before the pedestrians have reached my side of the road~~

17. **VIDEO:** What is the right course of action?

- a) I stop because a man wants to cross the pedestrian crossing
- b) I stop because a child behind the van is going to walk onto the road
- c) I continue driving slowly, because there is no indication that any pedestrian wants to cross the pedestrian crossing
